

APRIL 26: WCS Open House/Community BBQ 5:30pm-8pm **TONIGHT**

Willamette Christian School, in partnership with Lane Leadership Foundation, wants to bring as many of our community members together as possible for an evening of hangin' out with each other. **It's this evening.** We'll offer a barbecue, some low impact games, and an awful lot of fellowship. While we don't seem to find anywhere near enough time to spend with each other, when we have a chance I hope it's a priority. We become a community when being together is important enough to make time for it.

April 29, 30: Dickie Jo's/Dickie Yo's fellowship—All Day Long

Many of you took advantage of the opportunity to join other WCS community members at Mod Pizza last January. You found great fellowship and pretty decent pizza. We have another chance to build community and grab a bite to eat at the same time. Dickie Jo's/Dickie Yo's will donate a portion of all sales connected with WCS on the days listed, which is great. But the real blessing to coming together is coming together. Thanks in advance for being a part of these efforts to connect meaningfully.

Why Enroll Early?

The enrollment process does a number of things for schools:

- It offers a look at what student counts for the coming year will be.
- It allows school leadership to plan for staffing for the coming year.
- And maybe most importantly, early enrollment allows a school board to prepare an operating budget for the next school year.

I want to invite you to enroll your student for school year 2019/20. And while I understand many families need to be careful about when and how much money is spent, **please know we will work with each family to ensure the financial commitment involved in enrolling your child is as manageable as possible.**
